Outline of the Seminar

Over the last years, many Chinese companies have invested abroad. In this respect, Germany plays an important role thanks to its geographic position in Europe as well as a large number of internationally successful companies interested in new strategic partners and shareholders. This seminar shows recent developments in terms of Chinese M&A into Germany and gives more colour on selected acquisition financing solutions there.

About the Speakers

Mr. Eberhard BRODHAGE is Chief Executive Officer of Commerzbank AG (Hong Kong Branch). Also, he is Chairman of EU-Macau-Hong Kong Financial Service Council.

Dr. Ruediger THEISELMANN is the Head of Corporate Center in Commerzbank's corporate finance division. In parallel, he's a lecturer at the University of Cologne / Germany and co-founded the Corporate Finance Association (corpfina).
